Below is a step-by-step tutorial that will show you how to transfer an existing **.UK, .COM, .NET.ORG, .INFO, .BIZ and other non-UK domains** From 1&1 to your Vision-Hosting Account

Transfer .UK Domains:

Step 1 – Prepare your domain for transfer

- Start the transfer on our end by ordering a transfer domain from our ‘Transfer Domains’ page. Place your domain transfer order by entering your domain and clicking transfer.
- Login to your control panel at 1&1(<http://contract.1and1.co.uk>).
- Choose the contract that contains the domain that you wish to transfer.
- Select either ‘Cancel Entire Contract’ or ‘Cancel Selected Domains’.
- Choose the ‘Execute on’ option for the domain.
- Change the cancellation option to ‘Change Provider’.
- Click ‘Continue’.
- Enter our IPS tag: ‘PDR-IN’.
- Click ‘Finish’.

Vision-Hosting will send you an email confirming that you are the owner of the domain and complete the final transfer.

TRANSFER DOMAINS

How to Transfer a Domain From 1 & 1

- Go to the 'admin.1and1' control panel (not the 'contract.1and1' control panel) and unlock your domain.

– Click 'Domains', then select your domain and click 'info'.

You will then see the Authorization Code (EPP Key), Make a note of this as it will be required for the transfer.

Place Your Domain Transfer Order:

Initiate the transfer from our end by visiting our 'Transfer domains page'. Place your domain transfer order by entering your domain in the box and click the 'Transfer Domain'. On the following page we will tell you if the domain is available for transfer and the price it will cost. You can then continue with the order process by entering the authorization code where applicable.
